Mobile Health Clinic Conducting Free Diabetes Health Screenings in Green Valley

Supervisor Derry Beefs Up Medical Outreach to Unincorporated Areas

SAN BERNARDINO, CA – Supervisor Neil Derry announced a free diabetes health screening in coordination with the Arrowhead Regional Medical Center’s Mobile Health Clinic (MHC) on Saturday, May 23rd in Green Valley.

In addition to the diabetes/glucose screening, the MHC will also screen for high blood pressure, conduct body fat analysis and provide information about additional resources available to county residents.

In conjunction with a pancake breakfast in memory of hiker Dean Christy, the event will start at 8 a.m. at the Green Valley Lake Clubhouse located at 33268 Green Valley Lake Road.

“Geographical realities discourage basic access to health information for some of our unincorporated communities,” Supervisor Derry said. **“I am committed to bringing services to my constituents.”**

Those living in a rural or unincorporated area of the county who are interested in having Supervisor Derry bring the MHC to their community are encouraged to call his office at (909) 387-4855.
