## **Cedar Glen Residents Vote to Approve Loan Repayment Plan**

SAN BERNARDINO, CA – The San Bernardino County Registrar of Voters certified the results of a special district election in County Service Area 70, Improvement Zone CG (CSA 70 CG), Cedar Glen where voters approved a new loan repayment plan. The plan received over 90% of the votes during the August 28 election.

The loan repayment plan will more equitably share the water infrastructure costs amongst all parcel owners in the area that benefit from accessibility to water. The effect of this action results in the bi-monthly charges of approximately \$114.34 being removed from the water bill of the current customers and a special tax in the amount of \$84.00 being placed on the annual tax bill of all property owners within CSA 70 CG for 10 years. This results in an annual savings of over \$600 for the current customers of CSA 70 CG water district.

**“The voters overwhelmingly approved a plan that is fair to ratepayers and will ensure access to clean drinking water for many years,”** said Supervisor Neil Derry.
