San Bernardino Area Highway Pavement Rehabilitation Projects Open for Bidding

Improvements coming to State Route 18 and 62

SAN BERNARDINO, CA – San Bernardino area highways will open for bids on pavement rehabilitation after Governor Schwarzenegger’s American Recovery and Reinvestment Act Task Force allocated funding from the federal economic stimulus package.

Parts of State Route 18 and 62 are slated for repair along with a section of Interstate 15 in Riverside County.

“These highway improvements will add jobs and better our regional economy,” stated Supervisor Neil Derry. **“Poorly maintained roads negatively impact our residents’ pocketbooks and degrades their quality of life.”**

State Route 18 services the San Bernardino mountain communities while State Route 62 services the communities of Yucca Valley and Twenty-nine Palms.
