Steps Taken to Reorganize and Revitalize Lake Arrowhead Municipal Advisory Council

SAN BERNARDINO, CA – Supervisor Neil Derry took steps to reorganize and revitalize the Lake Arrowhead Municipal Advisory Council (MAC) after a lengthy period of inactivity.

Previously, the MAC allowed for nine members to be appointed to the body. The Council will now seat five members.

“I want a lean, focused group of individuals that are going to concentrate on providing sound advice and feedback on issues concerning the Lake Arrowhead area,” Supervisor Derry stated. **“We are going to start from scratch and appoint passionate, qualified individuals to the council.”**

All members serving under current terms will have their terms abbreviated and be encouraged to reapply for appointment.

Registered voters in the Lake Arrowhead area are encouraged to apply for appointment by contacting the Office of Supervisor Derry at (909) 387-4855 to get more information.
