Soccer Field Improvements Budgeted for Erwin Ranch Sports Facility

SAN BERNARDINO, CA – The San Bernardino County Board of Supervisors approved a \$200,000 Capital Improvement Project for soccer field improvements at the Erwin Ranch Sports facility in the Big Bear Valley area within the Big Bear Valley Recreation and Park District.

“I am excited that our children will be able to have additional recreational options in time for summer,” stated Supervisor Neil Derry.

Currently, soccer is only offered on a very small field not conducive for an actual game. These improvements will add three full size fields to the facility by the end of June.

Trinity Construction of Blue Jay won the contract as the lowest responsible bidder.

“Not only are we giving our children a place to play, but we are keeping the dollars in the mountain community during this tough economic time,” Supervisor Derry said.
