

## WALK THE WALK!

### HELP US HELP OTHERS

**Walk-It-Out Fundraisers, Inc.** is holding its first annual walk event September 2009 to raise aid and awareness for domestic violence and homelessness.

The walk will begin in San Francisco and end in San Diego, California. Authors Danielle Pierre and Timothy Pina will be performing the walk and their arrival in San Diego is anticipated on or around November 1, 2009.

Help make a positive difference in the lives of others! We are asking the public to make a minimum donation of \$1.00 to each of these causes.
