(Eff. January 1, 2009.)

Rule 212.1

If for any reason the office of the Assistant Presiding Judge becomes vacant, a new election shall be held within 45 days of the creation of the vacancy. Nominations for the election shall be determined according to the procedure in Local Rule 212(C). (Eff. July 1, 1998. As amended, eff. January 1, 2009.)

RULE 214 LEADERSHIP DEVELOPMENT

The Superior Court operates in an increasingly complex environment. Each year new laws, rules, procedures and requirements must be incorporated into its operations while at the same time accommodating significant increases in workload. In order to meet the Court's obligation to provide a fair, effective and efficient court system, the Court must have capable, knowledgeable and trained leadership. The Court must have leaders able to deal with everyday occurrences as well as engage in long-term strategic planning. While the Presiding Judge is most directly responsible for the operations of the Court, court governance is the responsibility of every judge and can be manifested through such efforts as committee work, supervising judges, special projects, and others.

To ensure that the Court has the necessary leadership and that everyone is given the appropriate opportunity to assume a leadership position within the Court, the Court has established a systematic program to identify, encourage, train and otherwise develop the leadership skills of its judges. (Eff., January 1, 2009.)

Rule 214.1

Upon appointment, each judicial officer shall receive the new judge orientation disk prepared by the Executive Office. Within thirty days of being sworn in each judicial officer shall attend a one day orientation program at the Court Executive Office which shall include information on court governance, leadership development, judge's duties, authority and duties of the Presiding Judge, judicial education, mentoring, and expense reimbursement, as well as information on court structure, administration and other related matters. (Eff., January 1, 2009.)

RULE 215

In October of each year, the Presiding Judge will review the assignments of all judges and commissioners for the upcoming year. The Court Executive Office will maintain a database of each judge's accomplishments, education, assignments and activities that will be reviewed by the Presiding Judge who will consider that information along with the factors listed in California Rule of Court 10.603(c)(1) and Local Rule 120. In assessing the Court's leadership development needs, the Presiding Judge shall consider the need of the Court and of individual judges to increase their leadership skills and abilities and also the desire of judges to assume leadership positions within the Court. (Eff., January 1, 2009.)

RULE 216

All continuances, contested or not, are to be applied for by noticed motion with supporting declarations. Continuances applied for in any other manner will be denied, except in emergencies. Motions for the continuance of the trial setting conference and trial shall be made to the Assigned Judge. Motions for the continuance of the mandatory settlement conference shall be made to the Judge to whom the mandatory settlement conference has been assigned and shall be granted only if the continuance would not delay the trial of the action nor disrupt the calendar of the Judge to whom the settlement conference has been assigned and shall be granted only if the continuance would not delay the trial of the action nor disrupt the calendar of the Judge to whom the settlement conference has been assigned. The Court will grant continuances only upon an affirmative showing of good cause. Grounds which the Court will recognize as good cause for continuance will be:

(1) Death:

- (i) The death of the trial attorney or an essential witness where, because of the proximity of such death to the date of trial, it is not feasible to substitute another attorney or witness.
- (ii) The death of an expert witness where because of the proximity of his death to the date of trial, there has been no reasonable opportunity for a substitute expert witness to become qualified to testify in the test.
- (iii) The death of any other witness only where it is not possible to obtain another witness to testify to the same facts or where, because of the proximity of his death to the date of trial, there has been no reasonable opportunity to obtain such a substitute witness.

(2) Illness (supported by an appropriate declaration of a medical doctor, stating the nature of the illness and the anticipated period of any incapacity):

- (i) The illness of a party or essential witness, except that, when it is anticipated the incapacity of such party or witness will continue for an extended period, the continuance will be granted on condition of taking the deposition of the party or witness in order that the trial may proceed on the next date set.
- (ii) The illness of the trial attorney or of an expert witness, except that the substitution of another attorney or witness will be considered in lieu of a continuance depending on the proximity of the illness to the date of trial, the anticipated duration of incapacity, the complexity of the case, and the availability of substitute attorney or expert witness.
- (iii) The illness of any other witness only where it is not possible to obtain another witness to testify to the same facts or where, because of the proximity of his illness to trial, there has been no reasonable opportunity to obtain such a substitute witness.

(3) Unavailability of trial attorney or witness

- (i) The unavailability of the trial attorney when he is engaged in the trial of another case if: (a) at the time such attorney accepted the trial date in this case he could not have reasonably anticipated the conflict in trial dates; and (b) the Court was informed and made a finding at the trial setting conference or on motion made at least 30 days before the date set for trial that the case was assigned for trial to this attorney within a particular law firm and that no other attorney in that firm was capable and available to try the case and was or could be prepared to do so.
- (ii) The unavailability of a witness only where the witness has been subpoenaed or is beyond the reach of subpoena and has agreed to be present, and his absence is due to an unavoidable emergency that counsel did not know and could not reasonably have known at the time of the trial setting conference.

(4) Substitution of trial attorney: The substitution of the trial attorney only where there is an affirmative showing that the substitution is required in the interest of justice.

(5) Significant change in status of case: A significant change in the status of the case where, because of a change in the parties or pleadings ordered by the Court, the case is not ready for trial. (Former Rule 361, eff. May 27, 1982. Renumbered as Rule 418, eff. July 1, 1998.)

Rule 418.1 Civil Cases

In order to effect and preserve the maximum efficiency of the Court in reducing congestion and delay in the trial of cases, the Court will enforce a strict policy of requiring case management conferences, mandatory settlement conferences, trial assignments and trials to proceed as calendared in the absence of good cause shown for a continuance thereof. Any request for a continuance or trial assignment or trial date shall be made in the form of a noticed hearing before the Assigned Judge. No stipulation for a continuance of such dates shall be accepted without the express consent of the Assigned Judge. Any request for a continuance of a mandatory settlement conference shall be made to the Judge to whom the settlement conference has been assigned. (Former Rule 361.2, eff. May 27, 1982. Renumbered as Rule 418.1 and amended, eff. July 1, 1998.)

Rule 418.2 Civil Cases, Law and Motion, and Voluntary Settlement Conference Policy

It is the policy of the Court to cooperate with counsel regarding continuances of law and motion matters and settlement conferences to the extent possible. This policy is necessarily limited by certain obvious practical considerations. The grant of a last minute continuance is generally inappropriate in that it requires a duplication of effort on the part of the Judge and tends to deprive other litigants of timely access to the Courts. (Former Rule 361.3, eff. May 27, 1982. Renumbered as Rule 418.2 and amended, eff. July 1, 1998.)

RULE 419 CIVIL COURT COMMUNICATION PROTOCOL

The priority of restraining and protective orders regarding domestic violence, child custody or visitation or modification thereof must comply with local Rule 1311. (Eff., July 1, 2003. As amended, eff. January 1, 2008.)

RULE 420 CASES REMOVED TO OTHER COURTS

In the event that a case is removed to any federal court or superior court in another county, the Court will order a date, not earlier than 90 days from the date of removal, for a status conference. Counsel may file a Notice of Status of Removed Case with the court in lieu of appearing at the status conference. The Notice of Status Conference must be filed no later than 10 days prior to the status conference. Upon the filing of the Notice of Status Conference, the Court will continue the status conference for 90 days and provide written notice of the continued status conference date to all parties who have appeared in the case. (Eff., July 1, 2003.)

Failure to comply with this Rule may result in the matter being taken off calendar or deemed to have been submitted for the Court's ruling. (Former Rule 560, eff. May 27, 1982. Renumbered as Rule 550 and amended, eff. July 1, 1998.)

RULE 1311 PRIORITY OF PROTECTIVE ORDERS AND MODIFICATION

(a) This Rule sets forth the court communication protocol for Domestic Violence and Child Custody Orders as required by California Rules of Court, Rule 5.450. The purpose of this Rule is to avoid conflicting orders whenever possible, and to permit appropriate visitation between a restrained person and his or her child while providing for the safety of all victims and witnesses and the proper consideration of the best interests of the child.

(b) Criminal Protective Orders take precedence over all other protective orders issued by the Civil, Family, Juvenile and Probate Courts.

(c) When the Criminal Court issues a Criminal Protective Order:

- (1) The Criminal Court shall determine whether there are any minor children of the relationship between the defendant/restrained person and the victim/protected person, and whether there are any court orders for custody/visitation for those minor children.

- (2) If there are minor children, the Criminal Court shall consider whether peaceful contact with the victim/protected person should be allowed for the purpose of allowing defendant/restrained person to visit the minor children. Peaceful contact with the minor children and victim/protected person shall be permitted under any Criminal Protective Order for the purpose of attending court-ordered mediation and/or Family Court hearings.
 - (3) The Criminal Court shall also determine whether there are any existing orders involving the defendant/restrained person, the victim/protected person, and/or the minor children. The court shall examine available databases for existing orders before issuing a permanent Criminal Protective Order.
 - (4) If the Criminal Protective Order includes minor children as named protected parties, the order may be made explicitly subject to modification by a judge of the Civil, Family, Juvenile, or Probate Court. If this qualifying clause is not included in the Criminal Protective Order, the order may not be modified without notification and consent of the Department of the court assigned to the criminal case. It is the policy of the Superior Court of San Bernardino County that the Juvenile Court is best equipped to determine the best interests of any minor children, and the criminal court shall give due consideration to making the criminal court order expressly subject to modification by the Juvenile Court whenever a Juvenile Court case is pending or is likely to be initiated.
 - (5) When the Criminal Court issues a Criminal Protective Order that lists the defendant/restrained person's minor child or children as protected persons, the Criminal Court shall transmit a copy of the order to any Civil, Family, Juvenile, or Probate Court in which a matter concerning the defendant and the protected minor or minors is pending.
- (d) When a Criminal Protective Order exists and a judicial officer in another court has a case in which he or she determines that it is appropriate to permit visitation different than that provided for in the Criminal Protective Order and that order has not been made expressly subject to modification by the court desiring a modification of the order:
- (1) The court clerk for the judicial officer requesting modification of the Criminal Protective Order shall contact the court clerk for the Criminal Court to inform the Criminal Court that a modification is requested and shall inform the court clerk for Criminal Court of all pertinent information, including the terms of the proposed modification and the identity of all parties to the action over which the judge requesting a modification has jurisdiction.
 - (2) The Criminal Court shall set a hearing date on the request for a modification for no later than 30 calendar days after the receipt of the request for modification, or as soon thereafter as the court's calendar allows, and shall provide notification in writing to all parties to both the criminal case and the matter in which the modification request was made. Such notice shall inform all parties of the modification request, the terms of the proposed modification and the hearing date, and shall specifically indicate that a request for modification has been made pursuant to this Rule.

- (3) Any written opposition to the modification request shall be filed no later than 9 court days prior to the hearing and shall be served in the manner provided for the filing of oppositions in Chapter 5 of Title 14 of Part 2 of the Code of Civil Procedure. Any reply to any opposition shall be served and filed in the manner allowed by the Code.
 - (4) The hearing date on the proposed modification shall not be continued except on a showing of good cause.

RULE 1320 P. C. 995 MOTIONS

P.C. 995 motions shall be heard in the department scheduled to hear the trial on the case. However, if the trial Court was the committing magistrate, then the Supervising Criminal Law Judge within the District shall reassign the matter for hearing on the motion to another Judge. If the motion is denied on its merits, the case shall be assigned back to the original Judge.

- (a) A brief statement in summary form of the facts as set forth in the transcript.
- (b) A statement of the issues, specifically identifying in what regard the People's case is defective.
- (c) Where defendant intends to rely upon some testimony in the transcript, the moving papers shall contain references to such testimony identified as to page and line number of the transcript.

(Former Rule 455, eff. May 27, 1982. Renumbered as Rule 1320 and amended, eff. July 1, 1998. Eff. as amended, January 1, 2008.)

RULE 1321 MOTIONS TO CONTINUE

Shall be heard per P. C. 1050 in a manner as determined by the Criminal District of the Superior Court District where the case is assigned for trial. (Former Rule 453, eff. May 27, 1982. Renumbered as Rule 1321 and amended, eff. July 1, 1998.)

RULE 1322 TRANSFER OF CASES

Probation Revocation

1. If a defendant has an active, pending case in any Superior Court District, then any revocation of probation case shall be transferred to that District.
2. Supervising Criminal Judges of the respective Districts may transfer cases between them. (Eff. July 1, 1998.)

Notwithstanding Rule 1301, in situations where a defendant has multiple criminal cases, the Court should have all of a defendant's open cases heard in a single primary courtroom.

An open case is one in which the defendant has charges pending, is currently on probation (either formal or informal) or has outstanding fines, fees or restitution.

In deciding which court will be the primary court for purposes of resolving all of the defendant's cases, open cases shall be ranked as follows:

1. New case with felony charges pending
2. Felony probation case
3. New case with misdemeanor charges pending
4. Misdemeanor probation case
5. Cases with only outstanding money balances ~~owing~~

The court with the highest ranking case shall be the primary ~~court~~ department in resolving all of a defendant's open cases. If a defendant has two new cases with charges pending, the court that has the case with the highest potential exposure, including all enhancements and special allegations, is the primary court.

The primary court has the authority to order all of the defendant's open cases transferred to it without the necessity of contacting the supervising judge of the district from which the case(s) are being ordered.

The primary court is responsible for determining whether the secondary cases have any time problems. After transferring secondary cases to itself the primary court is responsible for resolution of those cases and cannot send them back without authorization of the supervising judge of the original district.

The judge of the primary court is to contact the judge in the other district to whom the case is assigned to arrange for transferring the secondary case to the primary court. If the judges cannot agree on a course of action, then the supervising judges of the districts will determine whether a transfer should occur. (Eff. July 1, 1998. Amended, eff. January 1, 2009.)

RULE 1327 VENUE OF ACTIONS

The District attorney should file criminal actions in the judicial District as defined in the Rules of Court, Rule 130, as “District” where the offense occurred. If the district attorney files an action outside of the judicial district where the offense occurred, the supervising Judge of that district shall transfer the case to the district that contains the proper venue. (Eff. January 1, 2000.)

RULE 1451 APPOINTMENTS OF INVESTIGATORS, LEGAL RUNNERS AND OTHER EXPERTS

All requests for Court-appointment of investigators, expert, legal runners or paralegal services at government expense shall comply with Rule 1441 regarding appointed defense fees.

Motions for appointment of investigators and experts in capital cases involving indigent defendants will be made pursuant to the provisions of Penal Code Section 987.9 and Rule 1460.8.

In non-capital cases not included under Section 987.9, motions for the appointment of investigators and experts to assist at the request of appointed or retained counsel must be supported by affidavit or supporting declaration of ultimate facts indicating that the case or circumstances of the case are of such a nature as to require, in the interest of justice, the services of an investigator or other expert.

Except for death penalty cases covered by Penal Code Section 987.9, all motions for appointment of investigators and other experts (medical, criminalists, etc.) for indigent defendants are to be presented to the judge in the department of the Court where the case is assigned for appropriate orders. Such motions must state the billing rate, which billing rate shall be consistent with the Court's Appointed Services Fee Schedule, and the maximum amount expected to be charged for the service of the investigator, expert or other, and must specify if special expenses, including the costs of other experts, travel other than mileage expenses, and any single expense item in excess of \$50.00, are to be authorized.

Investigator services, when appointed by the Court, should be limited to actual investigative work and related activities such as testifying. Appointed investigator services shall not include activities that would normally be performed by the attorney or attorney office staff, or in propria persona defendant, such as sorting discovery and indexing discovery notebooks, redacting discovery, (exception for redacting if pro per defendant), ordering duplicates of photographs and tapes, preparing subpoenas and court orders, photocopying and transporting or mailing materials, motions, orders and clothing (exception for mailing or transporting if propria persona defendant.) Extraordinary amounts of time attending attorneys in court are discouraged unless testimony is involved. For time on standby at court, the description of the service shall include a notation that the service was performed at the request of the Court or defense counsel. In-court time claimed by investigators must contain a brief statement for each day specifying why the investigator's presence in court was needed, or the time may be denied at the judge's discretion. Extraordinary amounts of time conferring with attorneys are discouraged unless it involves the investigator's direct services.

Requests by retained counsel for Court-appointment of investigator service at government expense shall comply with Rule 1441 regarding appointed defense fees, and shall be limited to an initial authorization amount of \$600 (24 hours at \$25.00 per hour), plus mileage, for any given case, except as allowed for in Rule 1460.8. If the initial funding approval is exhausted and additional services are needed, counsel may subsequently apply to the hearing judge for additional funding supported with a detailed listing of services already rendered and proposed to be performed. Any request for expert fees must comply with Rule 1460.3.

Requests by in propria persona defendants for Court-appointment of investigator and legal runner services at government expense shall comply with Rule 1441 regarding appointed defense fees. Initial funding for appointed legal runners shall be limited to \$250, plus mileage, for any given case, except as allowed for in Rule 1460.8. If the initial funding approval is exhausted and additional services are needed, the defendant may subsequently apply to the hearing judge for additional funding supported with a detailed listing of services already rendered and proposed to be performed. Legal runner services, when appointed by the Court, are limited to photocopying, and transporting materials, orders and motions. Visitations and phone calls to West Valley Detention Center must be associated with an allowable billable activity, and will be subject to the discretion of the Court. Appointed legal runners should contact the Court's Executive Office *in advance of services being performed* so that the legal runner may be fully informed of requirements and limitations pertaining to appointed legal runner services.

Paralegal services must be performed under the direction and supervision of an active member of the State Bar of California consistent with the Business and Professions Code § 6450, et seq. The Court strongly discourages appointed paralegals from attending court proceedings. Appointments of paralegals shall generally be limited to capital cases. Paralegal service appointment order requests must specify the services to be performed by the paralegal under appointment, and must specify why the services cannot be performed by the attorney or attorney office staff.

Mitigation specialists for death penalty cases, when appointed by order of the Court pursuant to Penal Code Section 987.9 and Rule 1460.8, should be limited to gathering of information specifically related to mitigation defense and coordinating the various aspects of investigators, experts and witnesses for the penalty (mitigation) phase, and to activities which would not normally be performed by an investigator or paralegal appointed for the case pursuant to this Rule.

The provisions of this rule shall apply to all cases filed under Sections 601 and 602 of the Welfare and Institutions Code, except:

(1) Motions shall be presented to the Presiding Judge of the Juvenile Court, or to such other judicial officers sitting in juvenile Court as the Presiding Judge shall designate; and,

(2) All references to defendants shall be deemed to refer to minors

(Former Criminal Rule 1131, eff. May 27, 1982. Amended eff. April 1, 1985; July 1, 1988; Jan. 1, 1990; Jan. 1, 1991. Renumbered as Criminal Rules, Rule 1451 and amended July 1, 1998. RULE 1513 GUIDELINES FOR APPOINTMENT OF COUNSEL FOR MINORS

1513(a) Request for appointment of counsel

In any family law or other proceeding where two or more persons are disputing the division of time with (physical custody) or responsibility for (legal custody) of a minor child or the court determines that the appointment is justified by the facts of the specific case, the court should consider the appointment of an attorney to represent the best interests of the child if requested to do so by either party, the attorney for either party, a mediator performing the duties under Family Code section 3170 et seq., a professional person making a custody recommendation under Family Code sections 3110 et seq., a court appointed guardian ad litem or special advocate, the child, or any relative of the child; or the court may appoint counsel on its own motion.

1513(b) Guidelines for appointment

In considering the appointment of counsel for the child, the court should take into account the following factors:

- (1) whether the dispute over custody is intense or protracted or the parties are so embroiled in the dispute that the needs of the child are being neglected;
- (2) whether the child is subjected to stress on account of the dispute that might be alleviated by the intervention of counsel representing the child;
- (3) whether an attorney representing the child would be likely to provide the court with significant information not otherwise readily available or likely to be presented;
- (4) whether the dispute involves allegations that a parent, a stepparent or other person with the parent's knowledge has physically, mentally or sexually abused the child;
- (5) whether it appears that neither parent is capable of providing a stable and secure environment for the child;
- (6) whether the child is capable of verbally expressing his or her views;

(7) whether attorneys are available for appointment who are sensitive to the needs of children and the issues raised in representing them;

(8) whether the parties disagree regarding the medical treatment for the child and the child's health is at risk;

(9) whether there is an issue whether to waive a privilege on behalf of the child; and

(10) whether the best interests of the child appear to require special representation.

1513(c) Contents of order for appointment of counsel

If counsel is appointed to represent a child pursuant to subdivision (b), the order for appointment of counsel may specify the following:

(1) the issues regarding which the child's representation is ordered;

(2) any tasks expected to be performed by the child's counsel to benefit the child;

(3) the duration of the appointment which may be extended upon a showing of good cause; and

(4) the source of funds and manner of reimbursement for costs and attorney fees.

If a party is currently eligible for a fee waiver under Government Code, section 68511.3 (in forma pauperis), the party should be deemed unable to pay any part of the costs of the appointed counsel.

In all other cases, the Court should determine ability to pay based on the party's income and assets reasonably available. The Court may require the party to file and serve a current income and expense statement unless the party has already filed one in the proceeding that represents the party's financial status at the time of the determination.

The court may make the determination of the ability to pay at the time of appointment of counsel, or thereafter at the request of appointed counsel but not later than 30 days after appointed counsel is relieved as attorney of record.

(Former Rule 611, rev. Dec. 1993. Renumbered as Rule 606 and amended, eff. July 1, 1998. Renumbered as Rule 20-606, eff. July 1, 2007.)

They shall set forth all matters actually passed upon by the Court, the relief granted, the names of any persons affected, the descriptions of any property affected and the amounts of any money affected. Probate orders should be so drawn that their general effect may be determined without reference to the petition on which they are based.

(c) While in orders settling accounts it is proper to use general language approving the account, the report, and the acts reported therein, it is not sufficient in any order to recite merely that the petition as presented is granted or that the relief sought in the petition on file is given. However, the overbid on such assets will be computed on the same basis as in sales of real property, and brokers' commissions will be allowed on the same basis as in sales of real property.

(b) The sale of a cooperative apartment will not be confirmed subject to the purchaser's later obtaining the acceptance of a Board of Directors or other governing body; therefore, the prospective purchaser should obtain acceptance before seeking Court confirmation. (Former Rule 805, rev. Dec. 1993. Renumbered as Rule 801, eff. July 1, 1998 . Renumbered as Rule 20-801, eff. July 1, 2007.)

Sales of furniture and furnishings with dwelling houses, water stocks with lands served thereby, and similar transactions will require no detailed explanation. Sales of unrelated personal property should, however, be explained in detail. (Former Rule 806. Rev. Dec. 1993. Renumbered as Rule 802 and amended, eff. July 1, 1998. Renumbered as Rule 20-802, eff. Whenever a Court order is being requested to approve or confirm the sale of tangible personal property, whether such order is or is not required by the Probate Code, an appraisal by a Probate Referee must first be made and filed. When necessary, a partial inventory and appraisal may be filed for this purpose, or a letter appraisal may be obtained from the Court appointed Referee or an alternate appraiser if authorized in accordance with Probate Code Section 8903.

(b) Commissions. Commissions on sales of tangible personal property will be allowed only to one holding a broker's license authorizing him to deal in the type of property involved. A commission will be allowed on the original bid only when the commission is requested in the return of sale. The amount of the commission is within the Court's discretion and will not ordinarily exceed (1) six percent (6%) as to sales in which a broker procured the bid presented to Court for confirmation or (2) three percent (3%) as to sales in which no broker procured the bid presented for confirmation. (Former Rule 811, rev. Dec. 1993. Renumbered as Rule 803, eff. July 1, 1998. Renumbered as Rule 20-803, eff. July 1, 2007.)

(Former Rule 812, rev. Dec. 1993. Renumbered as Rule 804, and amended, eff. July 1, 1998. Renumbered as Rule 20-804, eff. July 1, 2007.)

A verified petition for the sale of stocks, bonds, or other securities must set forth a minimum sale price as to all securities not listed on an established exchange or to be sold through a national market system on an interdealer quotation system by an S.E.C. registered broker dealer during the regular course of business. If the securities are "closely held", the petition must set forth the basis for fixing the minimum sales price. (Former Rule 813, rev. Dec. 1993. Renumbered as Rule 805 and amended, eff. July 1, 1998. Renumbered as Rule 20-805, eff. July 1, 2007.)

RULE 20-806 BROKER'S COMMISSIONS

(a) On sales subject to Court confirmation, unless justified by special circumstances, the Court will not approve payment of a broker's commission in excess of (1) six percent (6%) as to sales in which a broker procured the bid presented to Court for confirmation or (2) three percent (3%) as to sales in which no broker procured the original bid presented for confirmation.

(b) Special circumstances may include the fact that the property has an appraised value or sales price of \$10,000.00 or less or the property is undeveloped land. Under such circumstances the Court will not approve payment of a broker's commission in excess of (1) ten percent (10%) as to sales in which a broker procured the bid presented to Court for confirmation; or, (2) five percent (5%) as to sales in which no broker procured the bid presented for confirmation. (Eff. July 1, 1998. Renumbered as Rule 20-806, eff. July 1, 2007. Amended, eff. July 1, 2008.)

(a) Bid Deposit. Ten percent (10%) of the total sales price must be deposited with the personal representative. However, exception may be made under special circumstances, for example when the sale is FHA or VA financed.

(b) Junior Deeds of Trust. The Court will approve the taking of a promissory note secured by a junior deed of trust upon a showing that it serves the best interests of the estate. Such showing may require a showing or representation of efforts that were made to sell for cash or a showing of knowledge on the part of the heirs and devisees and lack of objection to acceptance of a junior deed of trust.

(c) Vesting of Title. The petition for confirmation must set forth the vesting of title in the buyer. The Court will not confirm a sale to a "nominee".

(d) Specifically Devised or Bequeathed Property. A sale of specifically devised or bequeathed real or personal property ordinarily will not be confirmed unless the written consent of the specific devisee or legatee is filed with the petition for confirmation.

(e) Notice of Hearing on Report of Sale and Petition for Order Confirming Sale of Real Property. In addition to all notices of hearings on return of sale required by law, notice should be given to (1) any specific devisee of such property, (2) any agent for the bid being presented to Court, and (3) all beneficiaries or heirs.

(f) Earnest Money Deposit by Increased Bidder. When a sale is confirmed to an overbidder, the overbidder, at the request of the personal representative, must submit at the time of the hearing cash or a certified or cashier's check in the amount of ten percent (10%) of the initial overbid. The personal representative should notify all known anticipated overbidders of this requirement.

(g) Overbid Form. The personal representative or counsel may obtain from the Court clerk a form to be completed on the overbid. This form is to be returned to the clerk before the order confirming the sale will be signed.

(h) Absence of Attorney for Estate at Confirmation Hearing. If the estate's attorney is absent from the hearing, the hearing will be continued, except where the fiduciary is present and requests that the sale proceed without the attorney. (Former Rule 823, rev. Dec. 1993. Renumbered as Rule 807 and amended, eff. July 1, 1998. As amended, eff. July 1, 2006. Renumbered as Rule 20-807, eff. July 1, 2007.)

(b) The Court Investigator's Office shall not conduct investigations for petitions filed by relatives within the 2nd degree unless specifically ordered by the Court. Nevertheless, a Guardianship Questionnaire must be completed and filed and an additional copy of the Guardianship Questionnaire, Petition and Notice of Hearing given must be submitted, which the court clerk shall forward to the Court Investigator's Office upon appointment. (Former Rule 1405, rev. Dec. 1993. Renumbered as Rule 1305, eff. July 1, 1998. Amended, eff. July 1, 2006. As amended, eff. January 1, 2007. Renumbered as Rule 20-1305, eff. July 1, 2007.)

RULE 20-1306 CONSULTATION WITH OTHER DEPARTMENTS RE HABEAS CORPUS OR CUSTODY PROCEEDINGS

Where a petition for guardianship of the person of a minor is pending, and where it appears to the Court that a custody proceeding or a writ of habeas corpus concerning the same minor is pending in any other department of the Superior Court, proceedings will be suspended until a consultation can be had between the Judge of the Probate Department and the Judge of the department in which such proceeding or writ is pending and a determination made as to whether or not such matter should be heard separately or a consolidation arranged. (Former Rule 1408, rev. Dec. 1993. Renumbered as Rule 1306, eff. July 1, 1998. Renumbered as Rule 20-1306, eff. July 1, 2007.)

RULE 20-1307 GUARDIANS OF THE PERSON WHEN ADOPTION PROCEEDINGS ARE PENDING

A guardian of the person of a minor will not be appointed if it appears that adoption proceedings are pending unless a report is filed under authority of Section 1513 of the Probate Code by the appropriate officer or investigator with the State Department of Social Services authorizing the granting of said guardianship. (Former Rule 1409, rev. Dec. 1993. Renumbered as Rule 1307, eff. July 1, 1998. Renumbered as Rule 20-1307, eff. July 1, 2007.)

RULE 20-1308 INCREASING AND DECREASING BOND OF GUARDIAN

When an increase in the guardian's bond is ordered, the Court favors the filing of an additional bond rather than filing of a substitute bond; and where a decrease in the liability of the guardian's bond is ordered the Court favors the use of an order decreasing liability under the existing bond rather than the filing of a substitute. (Former Rule 1410, rev. Dec. 1993. Renumbered as Rule 1308, eff. July 1, 1998. Renumbered as Rule 20-1308, eff. July 1, 2007.)

RULE 20-1309 DUTIES OF GUARDIAN - LIABILITY OF PARENTS TO SUPPORT CHILD

As there is a statutory liability upon the parents to support their children when one or both parents are living, the Court will not permit guardianship funds to be used for the minor's benefit except upon a showing of the parents' financial inability to adequately support the minor or other circumstances which would justify the Court in departing from this rule in the best interest of the minor. (Former Rule 1412, rev. Dec. 1993. Renumbered as Rule 1309 and amended, eff. July 1, 1998. Renumbered as Rule 20-1309, eff. July 1, 2007.)

RULE 20-1310 INVESTMENTS BY GUARDIANS

(a) The Court will not ordinarily approve the investment of the ward's funds in unsecured or secured loans to a near relative.

(b) Investment in real estate will not be approved unless supported by an appraisal by the probate Referee regularly appointed by the guardianship estate, and the guardian of the minor will not ordinarily be authorized to purchase real estate except for cash. (Former Rule 1416, rev. Dec. 1993. Renumbered as Rule 1310 and amended, eff. July 1, 1998. Renumbered as Rule 20-1310, eff. July 1, 2007.)

RULE 20-1311 ACCOUNTS OF GUARDIANSHIP

(a) The verified account is to be filed 30 days prior to the date set by the Court for the review hearing. When a guardian accounts for the assets of more than one minor, the accounting for each minor must be set forth separately.

(b) When a copy of a final account and written notice of the hearing thereof is served upon the ward not less than fifteen (15) days prior to the hearing, or the ward's written approval is filed, no appearance by the ward may be necessary. However, the Court does not favor the waiver by the ward of the guardian's final account where the ward has reached majority and normally will not approve a report when the account is waived unless the ward is present in Court at the time of hearing.

(c) Where payment for guardianship services is requested to be allowed third persons acting on behalf of a guardian, those persons shall sign a verification stating that they performed the services on the dates specified and received payment in the amount, if any, set forth in the account. The verification shall be attached to the account for the period in which the services were rendered.

(d) Duplicating, telephone, fax and other costs in guardianship estates - Ordinarily the Court will not allow reimbursement for costs of duplication of documents, telephone calls, FAX (except court charges), parking fees incurred by the attorney or guardian or ordinary mileage incurred by the attorney or guardian, as these are a part of overhead, and should be absorbed in fees or commissions.

The guardian is not reimbursed for the expenses of his or her trip to qualify, unless the guardian is waiving his or her fee.

(e) Private professional or licensed guardians or conservators who provide bank or investment account statements pursuant to Probate Code section 2620(c) shall provide two sets of documents under separate cover. The first set shall be filed with the Court and shall include the account statements for the period preceding appointment (if a first accounting) and the periods for the start and end of the accounting period pursuant to Probate Code section 2620(c)(2). The second set shall be lodged with the Court separately and shall include the account statements for the rest of the accounting period pursuant to Probate Code section 2620(c)(3). The court shall retain all documents lodged pursuant to Probate Code section 2620(c)(3) until the court's determination of the accounting has become final, at which time the documents shall be returned to the person who lodged them or delivered to any successor appointed by the court.

(Former Rule 1417, rev. Dec. 1993. Renumbered as Rule 1311 and amended, eff. July 1, 1998. Amended, January 1, 2000. January 1, 2003, July 1, 2003, January 1, 2005 and July 1, 2006. As amended, eff. January 1, 2007. Renumbered as Rule 20-1311 and as amended, eff. July 1, 2007. As amended, eff. July 1, 2008.)

RULE 20-1312 GUARDIANSHIP INVENTORY AND APPRAISAL

Copies of investment account statements verifying the balance of cash and/or securities on hand must be attached to all Inventories and Appraisals. Letter verifications from the financial institution stating the balance as of the applicable date may be substituted for copies of the statements. Substantial variation between the statement or verification and the balance reflected in the inventory must be explained or reconciled. (Eff. July 1, 2008.)

RULE 20-1315 GUIDELINES FOR APPOINTMENT OF COUNSEL IN GUARDIANSHIPS OF MINORS

In appointing counsel for a child in a guardianship, the court shall adhere to the requirements of the Local Rules of the Superior Court of California, County of San Bernardino County, (Family Law Rules), Chapter 15, Rule 1513. (Eff., July 1, 2003. As amended, eff. July 1, 2006. Renumbered as Rule 20-1315, eff. July 1, 2007.)

RULE 20-1317 NOTICE TO INCARCERATED PERSONS

Pursuant to Probate Code section 1460(e), when a person who is to receive personal notice of a guardianship proceeding is incarcerated in a jail or prison at the time of the filing of the Petition for Guardianship, the Court may find that service upon the incarcerated person by certified mail is legally sufficient. Such a request for alternative service shall be accompanied by a declaration explaining why it would be a hardship for the petitioner to personally serve the incarcerated person. (Eff., January 1, 2007. Renumbered as Rule 20-1317, eff. July 1, 2007.)

PART FOURTEEN

PROBATE CONSERVATORSHIPS

RULE 20-1400 PETITIONS

The original and one extra copy for the Court Investigator of the petition, proposed order and all supporting documents shall be submitted. (Eff. July 1, 1998. Renumbered as Rule 20-1400, eff. July 1, 2007.)

RULE 20-1401 APPOINTMENT OF COURT INVESTIGATOR

(a) Unless the proposed conservatee is the petitioner or has signed a nomination of the conservator and both the proposed conservator and proposed conservatee will attend the hearing, the Court Investigator will conduct an investigation. To obtain the investigation, the following forms must also be prepared and filed with the petition: A declaration signed by a licensed medical or accredited practitioner; an Order Appointing Court Investigator; and a Probate Investigator's referral form. If the proposed conservatee is able but unwilling to attend the hearing, the medical declaration need not be filed.

(b) The Court Investigator's Office will not conduct a review until the Appointment Order is signed.

(c) The hearing will be set at least four (4) weeks from the date of filing. (Former Rule 1501, rev. Dec. 1993. Renumbered as Rule 1401 and amended, eff. July 1, 1998. Renumbered as Rule 20-1401, eff. July 1, 2007.)

RULE 20-1402 ATTORNEYS FOR CONSERVATEES

The representation of a conservatee by an attorney appointed by the Court, ceases upon the hearing for which he or she was appointed, unless otherwise ordered by the Court. (Former Rule 1502, rev. Dec. 1993. Renumbered as Rule 1402, eff. July 1, 1998. Renumbered as Rule 20-1402 and as amended, eff. July 1, 2007.)

RULE 20-1403 RESPONSIBILITIES OF THE CONSERVATOR

(a) The conservator of an estate must maintain all of the conservatee's liquid assets in the name of the conservatorship.

(b) A conservatee is not permitted to manage his estate without Court approval, except as to a reasonable allowance under Probate Code Section 2421 or as to earnings under Probate Code Section 2601. Allowances of not more than \$100.00 per month will be approved under Section 2403, without prior Court authorization. All other allowances should be presented to the Court for prior authorization under Section 2421. (Former Rule 1504, rev. Dec. 1993. Renumbered as Rule 1403 and amended, eff. July 1, 1998. Renumbered as Rule 20-1403, eff. July 1, 2007.)

RULE 20-1404 INVENTORY AND APPRAISAL

A proof of service indicating compliance with the service requirements of Probate Code section 2610(a) must be attached to a filed Inventory and Appraisal.

(b) A successor conservator shall not be required to file an Inventory and Appraisal for assets received from the prior Conservator, but instead shall sign and file a receipt for such assets. The assets listed on the receipt so filed shall constitute the beginning balance for purposes of accounting by the successor conservator. A conformed copy of the receipt shall be provided to the prior conservator.

(c) Copies of investment account statements verifying the balance of cash and/or securities on hand must be attached to all Inventories and Appraisals. Letter verifications from the financial institution stating the balance as of the applicable date may be substituted for copies of the statements. Substantial variation between the statement or verification and the balance reflected in the inventory must be explained or reconciled.

(Former Rule 1505, rev. Dec. 1993. Renumbered as Rule 1404, eff. July 1, 1998. Amended, eff. July 1, 2006. and January 1, 2007. Renumbered as Rule 20-1404 and as amended, eff. July 1, 2007. As amended, eff. July 1, 2008.)

RULE 20-1405 SUBSTITUTED JUDGMENT - CREATION OF TRUSTS

Creation of trusts of the property of a conservatee (Probate Code § 2580 (b)(5)) will normally be approved only on the conditions that (1) the trustee be subject to the same obligations, terms and conditions as a conservator of the estate during the lifetime of the conservatee and (2) the trust instrument so obligate the trustee. These obligations, terms and conditions shall normally include, but need not be limited to, the following:

1. Posting bond for assets and income of the trust;
2. Accounting to the Court in the Conservatorship proceeding;
3. Conservatorship investment limitations;
4. Court approval and confirmation of gifts, hypothecations or sales of assets;
5. Providing for the conservatee's needs without regard for the interest of remainder beneficiaries;
6. Prior Court approval for payment of fees to attorneys, conservators and trustees; and
7. Payment of Court investigator fees. (Eff. July 1, 1998. Renumbered as Rule 20-1405, eff. July 1, 2007.)

RULE 20-1406 ACCOUNTINGS

(a) If the conservatorship also involves the person of the conservatee, the accounting petitions shall state the conservatee's residences during the accounting period.

(b) Requests to waive interim accountings under Probate Code section 2628 may be made on an ex parte basis. All final accountings, including estates qualifying under section 2628, shall be set for hearing. In all cases in which the conservator seeks an order dispensing with a formal accounting pursuant to section 2628, the beginning and ending dates of the accounting period sought to be waived must be specified. An order dispensing with the filing of a formal accounting does not relieve the conservator from the duty of filing subsequent 2628 petitions or, where the estate no longer qualifies, a formal accounting pursuant to section 2620. If, after payment of Court-approved conservator's and attorneys' fees, it appears to the satisfaction of the Court that the estate will continue indefinitely to meet the requirement of section 2628, the Court may dispense with future accountings.

(c) Where payment for conservatorship services is requested to be allowed third persons acting on behalf of a conservator, those persons shall sign a verification stating that they performed the services on the dates specified and received payment in the amount set forth in the account. The verification shall be attached to the account for the period in which the services were rendered.

(d) Duplicating, telephone, fax and other costs in conservatorship estates- Ordinarily the Court will not allow reimbursement for costs of duplication of documents, (telephone calls, postage, FAX (except court charges), parking fees or ordinary mileage incurred by the attorney or Conservator, as these are part of overhead, and should be absorbed in fees or commissions. The Conservator is not reimbursed for the expenses of his or her trip to qualify, unless the Conservator is waiving his or her fee.

(e) A copy of any petition (except ex parte petitions for waiver of accounting pursuant to Probate Code section 2628) regarding an interim or final accounting and the notice of hearing on the petition must be served by mail 15 days prior to the hearing upon the conservatee, any spouse or domestic partner of the conservatee, anyone who has requested special notice, and any attorney who has represented the conservatee in the conservatorship matter unless that attorney has been dismissed from the case. Proof of service stating compliance with this Local Rule must be filed with the petition regarding an accounting.

(f) Private professionals or licensed guardians or conservators who provide bank or investment account statements pursuant to Probate Code section 2620(c) shall provide two sets of documents under separate cover. The first set shall be filed and shall include the account statements for the period preceding appointment (if a first accounting) and the periods for the start and end of the accounting period pursuant to Probate Code section 2620(c)(2). The second set shall be lodged separately and shall include the account statements for the rest of the accounting period pursuant to Probate Code section 2620(c)(3). The court shall retain all documents lodged pursuant to Probate Code section 2620(c)(3) until the court's determination of the accounting has become final, at which time the documents shall be returned to the person who lodged them or delivered to any successor appointed by the court.

(Former Rule 1507, rev. Dec. 1993. Renumbered as Rule 1406 and amended, July 1, 1998. Amended January 1, 2000, July 1, 2003, January 1, 2005 July 1, 2005-and July 1, 2006. Renumbered as Rule 20-1406 and as amended, eff. July 1, 2007. Amended, eff. July 1, 2008.)

RULE 20-1407 COURT INVESTIGATOR REVIEW/FEES

(a) The Court Investigator shall review all conservatorships subject to Section 1850 of the Probate Code. This review shall include a personal interview with the conservator of the estate to examine conservatorship records and assets.

(b) The Court shall annually assess the estate for each review conducted by the Court Investigator.

(c) Court Investigator fees for reviews are to be paid at the time the next accounting is filed.

(d) Payment of said assessment is to be made at the Clerk's office in the appropriate District. Upon payment of said assessment the clerk will forward to the Court a copy of their form indicating that payment has been made.

(e) No assessment is to be made in cases that are conservatorship of the person only. (Former Rule 1509, rev. Dec. 1993. Renumbered as Rule 1407 and amended, eff. July 1, 1998. As amended eff. January 1, 2003. Renumbered as Rule 20-1407, eff. July 1, 2007.)

RULE 20-1408 CHANGE OF RESIDENCE OF THE CONSERVATEE

Such notices must include the new telephone number for the conservatee. (Former Rule 1511, rev. Dec. 1993. Renumbered as Rule 1408 and amended, eff. July 1, 1998. Renumbered as Rule 20-1408 and as amended, eff. July 1, 2007.)

RULE 20-1409 INDEPENDENT POWERS

In order to obtain the independent powers set forth in Probate Code Section 2591, specific facts justifying each independent power requested must be alleged. These powers will only be granted upon a showing of specific need. Independent powers are not available to temporary conservators unless granted after a noticed hearing. (Former Rule 1512, rev. Dec. 1993. Renumbered as Rule 1409 and amended, eff. July 1, 1998. Renumbered as Rule 20-1409, eff. July 1, 2007.)

RULE 20-1410 TERMINATION

(a) Where a Petition for Termination is filed alleging the conservatorship is no longer required, the petition will ordinarily not be granted unless the conservatee personally appears in Court.

(b) As promptly as possible after the death of a conservatee (within 120 days, unless good cause for delay is shown), the conservator of the estate shall file a Petition for Discharge and a Final Accounting.

(c) Court Investigator fees are to be paid at the time the Petition for Termination is filed, or such Petition shall set forth the reasons for no doing so.

(d) No Order of Discharge shall be issued until proof of payment of all Court Investigator fees is received by the Court. (Former Rule 1513, rev. Dec. 1993. Renumbered as Rule 1410 and amended, eff. July 1, 1998. Renumbered as Rule 20-1410, eff. July 1, 2007.)

RULE 20-1411 CHANGE OF VENUE

Upon transfer of a conservatorship to San Bernardino County notice shall be given to the Court Investigator's office. (Former Rule 1515, rev. Dec. 1993. Renumbered as Rule 1411, eff. July 1, 1998. Renumbered as Rule 20-1411, eff. July 1, 2007.)

RULE 20-1413 CONFIDENTIAL INCOME TAX RETURNS

(a) Conservators of the estate shall furnish the court with a copy of the last federal income tax return filed by the conservatee prior to commencement of the conservatorship. The copy of the return shall be marked, "Confidential," and shall be filed in the Confidential File no later than the hearing date for review of filing of the Inventory and Appraisement.

If the return is not filed by the review date, a verified declaration shall be filed setting forth the reason therefore and the date when the return can reasonably be expected to be filed.

(b) The last federal income tax return filed in the Confidential File pursuant to this part is not open to inspection by any person other than the parties to the proceeding and their attorneys and the probate department, except upon the written authority of the judge of the superior court. A judge of the superior court may not authorize anyone to inspect the last federal income tax return except in exceptional circumstances and for good cause. (Eff. January 1, 2000. Renumbered as Rule 20-1413, eff. July 1, 2007.)

RULE 20-1414 CONSERVATOR ORIENTATION CLASS

(a) Each proposed non-professional conservator must attend a conservator orientation class conducted by the Court prior to the hearing on the petition for their appointment as conservator.

(b) Proposed non-professional conservators who live outside San Bernardino County and cannot travel to attend a conservator orientation class must contact the Court and make alternate arrangements for training.

(c) Proof of compliance with this rule must be filed with the Court before or at the time of the hearing on the petition.

(d) Temporary conservators are exempt from attending an orientation class unless the Court orders otherwise, but may voluntarily attend the orientation class. The Public Guardian, the Inland Regional Center, and corporate fiduciaries, banks and other entities authorized by law to conduct the business of a trust company are also exempt from this rule.

(e) LPS conservators are required to attend the orientation only once, prior to the hearing for approval of their initial appointment. (Eff. July 1, 2009.)
