

# SIMON UPDATE TRAINING

**Who Should Take It?** Anyone who enters data into Simon.

**What is it?** This course is designed to cover recent changes in the SIMON Billing System. This course will allow the users of SIMON to minimize errors and denials while maximizing revenue for the Department of Behavioral Health and its Contract Providers.

**When is it?** There are 20 sessions being offered, both morning and afternoon. Enroll using Essential Learning.

**Where is it?** At your workstation! The training is being presented via webinar using WebEx. You will only need a computer with Internet and a phone with long distance capability.

**Register now on Essential Learning!**
