

Trauma Resiliency Model (TRM)

Basic TRM Training

Presented by:
County of San Bernardino – Department of Behavioral Health
and
Trauma Resource Institute, Inc.

Date: November 2-4, 2010
Time: 8:00 AM-4:00 PM
Location: DBH Training Institute
1950 Sunwest Ln., Ste. 200
San Bernardino, CA 92408

Trainers:

Carol Michelson, PhD
Karen Banker, LCSW

About This Course:

The Trauma Resiliency Model (TRM) training is a **3-day course** designed to teach skills to stabilize one's nervous system to reduce and/or prevent the symptoms of traumatic stress. This model has been used successfully with adults and children and is being utilized at Juvenile Hall, triage, CCRT, disaster response, FSP, outpatient therapy, and CWIC. TRM is an integrative (mind-body approach), which focuses on the biological foundation of trauma and the reflexive, defensive ways the body responds to threat and fear. Although this training does not directly address alcohol and drug treatment, trauma often results in substance use/abuse.

CE/CEU/CEH Information

Psychologist CE Credits: San Bernardino County Department of Behavioral Health is approved by the American Psychological Association to sponsor **16.75** hours of continuing education for psychologists. San Bernardino County Department of Behavioral Health maintains responsibility for this program and its content. "Participants must attend training in its entirety to receive credits."

BBS: San Bernardino County Department of Behavioral Health, board-approved provider number **3766**, "Course meets the qualifications for **17** hours of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences."

CBRN: "Provider approved by the California Board of Registered Nursing Provider Number **CEP 15400**, for **21** hours."

TRM Learning Objectives:

Participants will be able to:

1. Identify the way shock, trauma, developmental trauma, and cumulative trauma affect the nervous system.
2. Utilize the 6 basic skills of the TRM to stabilize the nervous system.
3. Understand how to integrate the skills of TRM into their current work setting and therapeutic approaches.
4. Identify 3 ways to use TRM for self-care.
5. Demonstrate effective practice skills using the TRM Method.

(Additional learning objectives may be obtained by phone or email at: 909-873-4421 or training@dbh.sbcounty.gov)
