- What to Do If An Exposure Occurs

Tuesday June 1, 2011

Registration: 8:30 a.m. – 9:00 a.m.

Training begins: 9:00 a.m. – 10:30 p.m.

Training Institute

1950 South Sunwest Lane, 2<sup>nd</sup> floor

San Bernardino, CA 92415

This course is intended to be taken in conjunction with the online training class: "Blood Borne Pathogen Training – Waste Management" in order to meet the regulatory requirement for administering and documenting medical and pharmaceutical waste programs.

**You must complete both the online and the live course to meet the requirement.**

*Upon completion of this training, attendees will receive a Blood Borne Pathogens certificate of completion from American Red Cross.*

**Attendance is required if not taken within the last 12 months for the following:**

Registered Nurses, Psychology Technicians, Doctors, Drug and Alcohol Counselors and/or anyone generating medical or pharmaceutical waste, giving injections, collecting specimens and/or performing TB testing.

**Encouraged attendance:**

Clinic Supervisors, LSCs with Medical Waste Management Programs and/or Pharmaceutical waste in their facility(s).
