Hello,

I have been told that you pass these emails on to May and I want to make sure she knows I do need her request to be on the ballot in writing as this is a new election process. You can email me in her stead of course if that is her wish, or she can send me a letter, whatever she prefers.

thanks much,
Carol

Everyone,

We are starting the election process for the CALMHB/C, Southern Region.

If you or anyone you know is a member of your county's mental health board in Southern California (excluding Los Angeles County) you can submit your name for consideration.

At this time we are not voting, we are only collecting the names to be put on the ballot. The available positions being voted for are for four directors and a Regional Coordinator and you must state which position you are willing to fill as well as what county board you serve on and when your term expires. Positions are held for one year, from July through June.

I must receive all requests in writing, either via email or postal mail. The deadline is March 8th.

All emails can be sent to email address HaveTherapy@aol.com.

All postal mail can be sent to Carol Langone POB 241475, LA CA 90024

On March 12th I will send an email out with the candidates and request a vote at that time.

I have attached the CALMHB/C bylaws, the minutes of the October meeting and the duties of the Regional Coordinator.

All positions must be able to attend the four statewide meetings each year and represent your county.

Thank you,
Carol

Carol Langone
Regional Coordinator
Southern Region
CA Assoc of Local Mental Health Boards and Commissions
