COUNTY:

DIRECTOR:

CHAIR OF MENTAL HEALTH BOARD:

EMAIL ADDRESS:

California Association of Local Mental Health Boards and Commissions

The purpose of the Association shall be to assist local Mental Health Boards to carry out their mandated functions; to advocate at the state level as a united voice for local Mental Health Board concerns; to promote the betterment and furtherance of California's mental health environment; and to promote improvement of the quality, quantity and cultural competency of mental health services deliverable to the people of California.

Objectives:

The California Association of Local Mental Health Boards & Commissions intends to:

To collaborate with the California State Department of Mental Health, the California State Mental Health Planning Council, the California Mental Health Directors Association, and all other concerned agencies and organizations regarding mental health issues.

To collaborate with the California State Department of Mental Health, California State Mental Health Planning Council, California Mental Health Directors Association and the California Institute for Mental Health in planning and providing training for the local MHBs.

To provide information and assistance to local MHBs in carrying out their mandated functions, including ethnic concerns, children's, transitional age youth's, adults', and older adults issues.

To provide information and assistance to local MHBs and other constituencies, to discuss problems, and ethnic and demographic concerns, exchange information, and improve coordination of efforts and activities.

To advocate upon behalf of the mental health consumers of the State of California and of the unserved, underserved, and inappropriately served, for culturally competent treatment and services, intervention training, education, and self-help resources, following the recovery model, and for the prevention of mental illness.

To pursue all funding sources available to the Association, including grants, individual and corporate gifts, bequests, and fund-raisers.

To encourage and facilitate local Mental Health Boards and Commissions to organize and act regionally, to hold regular regional meetings, to handle business relevant to the Region, to provide training to Member boards, and to address mental health issues in order to fulfill their mandate.
