Importance: High

A HUGE CONGRATULATIONS TO ALL OF YOU!

The County of San Bernardino continues to raise the bar with its award-winning programs! For 2011 our departments received **27** National Association of Counties Achievement Awards, breaking last year’s record of 19.

A special congratulations also to Probation’s Peer Support Program that won a NACo and a *Best in Category*. Nationwide only 21 *Best in Categories* were awarded this year – a huge honor for the Program, the Department and the County.

Would you all please ask your program administrators to contact Liz Lepe in the CAO’s office with the following information for use at a future Board date where we will recognize these terrific achievements.

1. A brief description (just a few sentences) about each program.
2. A primary contact name/title with phone & email.
3. The names/titles of 1-3 staff that will attend the Board meeting to be recognized and receive the award.

Please send the above information to Liz Lepe; elepe@hs.sbcounty.gov by July 1st.
We will re-confirm attendees once we finalize a meeting date – most likely late July or early August.

Again – our sincere congratulations to you and your hardworking staff! It is programs like these that continue to demonstrate our collective commitment to providing the highest levels of service to county residents.
