

SAN BERNARDINO COUNTY DEPARTMENT OF BEHAVIORAL HEALTH
Current Active Fee-For-Service Providers Who will See Patients In Their Offices

****TO CLINICS UTILIZING THIS PROVIDER LIST**:** San Bernardino County Department of Behavioral Health has many FFS providers, though not all are listed on our provider lists. If a provider is not found on this list, it could be due to the fact that the provider was on inactive status at the time this list was posted, or they may have requested to be removed from the referral list for whatever reason. It is extremely important that you keep only the most current list, as clients who are referred to providers who are not on this list have been referred back to Access, or a clinic, for another referral. This not only aggravates clients, but creates more work for those who gave the client the initial referral.

Fee-for-service network provider lists contain the names of all fee-for-service providers who are (1) credentialed with the San Bernardino County Mental Health Plan, (2) in good standing (i.e., license is current, malpractice insurance is in effect, etc.), and (3) have indicated that they are accepting Medi-Cal consumers, both new and continuing.

When considering this list for potential referral options, be sure to review the provider's entire profile, in particular, the "Population Served" section. Attention to this area will not only ensure an appropriate referral is made, but will also save both clients' and providers' time on inappropriate referrals. For clarification of the "Population Served" abbreviations, please see the legend located at the end of the list.
