#### 16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

**Inspector Comments:** Complainant states "handling of cash, then the handling of food with out washing hands, multiple times. Incident happened on High School Campus Cafeteria "

Observed soap and paper towels inside dispenser for hand wash sink in kitchen.

Observed employees handling food wearing gloves. Reviewed with employees that hand washing is required prior to glove use. Sanitizer does not replace hand washing prior to glove use or food handling. Observed food on the hot steam table in packaged container and served with utensils.

Hand wash is required after handling money, trash, touching body parts, and using restroom and then returning to handle food.

Use time control to mark time frozen fries are taken out of temperature control.

**Description:** A complaint report has been received by Environmental Health.
