RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: Purpose: Facility's permit was suspended on 3/29/21 for no hot water. On 03/30/21 facility was open via remote inspection. A field inspection re-inspection will be conducted to determine compliance.

Observed: Observed the following water temperature at all location:

Restroom 100F
Front handsink at least 100F
Front dump sink at least 120F
Mop sink at least 120F
3 compartment sink with sprayer at least 120F

Result: Facility's permit has been re-instated. Facility must contact plan check to determine compliance for water heater.

NOTE: This facility has one 3 compartment sink (with sprayer), one mop sink, two handsinks, one dump sink (with sprayer) and one lavatory. This facility is located in Fontana. Facility has a tankless water heater - model: NORITZ NCC1991. Based on this, water heater is only able to provide 7.4 GPM. Facility is currently at 8 GPM.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

16K051 Plan Review

Compliance Date: Not Specified
Not In Compliance
Reference - HSC - 114380
