16K999 Complaint Inspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments:

A complaint inspection was conducted today on 3/11/14.

Complainant alleges that the facility is dirty.

Upon inspection, the facility appears to be in moderate condition when regarding to cleanliness. Prep areas appeared to be clean.

Clean and maintain floors throughout facility.
Observed debris build-up in corners in dry storage as well as underneath storage rack.

De-clutter and remove unused miscellaneous items in locker storage room to prevent vermin harboring and so employees are able to properly clean floors.
Observed several miscellaneous items stored on floor in locker storage room.

Observed both men's and women's restroom in clean condition. One stall in women's restroom observed missing toilet paper. Restock.
Observed hand wash facilities stocked and supplied.

Dining area observed clean and maintained.

Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

Complaint was addressed and hereby closed.

If there are any questions, please contact Environmental Health Services or Melissa Nano at (800) 442-2283.
