Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Reference - HSC

Inspector Comments: Received an email from the district manager that facility has been cleaned and sanitized and is free of any evidence of rodent activity.

At the time of this inspection, back storage area where initial rodent droppings were observed were evidently cleaned. Prepackaged foods were removed from the back storage area and relocated to the front line. Observed rodent droppings in the back loft storage area and heard noises that sounded like scratching coming from walls of back loft storage area. Observed holes in wall and tape around some holes in the back loft storage area.

Per Compliance Agreement signed by the district manager, facility permit may be reinstated after inspector has verified the following:

- Facility is thoroughly cleaned and sanitized.
- No evidence of rodent activity.
- An imminent health hazard does not exist.

Due to evidence of rodent activity during this follow-up inspection, facility permit has not been reinstated and may not sell food at this time.

A billable re-inspection will be conducted to determine compliance at a rate of \$245.00 per hour. A minimum of \$122.50 will be charged for the first 30 minutes of inspection time.

Per Compliance Agreement, facility re-inspection must take place in a billable re-inspection one week from the date of when the health permit is reinstated.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

The purpose of this visit was to conduct a follow-up inspection to ensure facility is free of any evidence of rodents.
