RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K999 Complaint Inspection

Compliance Date: Not Specified

Inspector Comments: A complaint was received by Environmental health services on 09/03/2021.

Reference - HSC

Per complainant: Roach activity near the register of the front counter.

Findings upon questioning, person in charge stated the following:

- not aware of the complaint.
- has not have previous similar complaints.
- has pest control service conducted monthly with Forest pest control service.
- last pest control service was done in August 2021.

Observations:

- See violations for vermin and permit suspension.

Results:

Facility closed at this time. Will require re-inspection to re-open. Supervisor review will be scheduled with operator.

Description: A complaint report has been received by Environmental Health.

16C023 No rodents, insects, birds, or animals

Compliance Date: Not Specified

Inspector Comments: Observed a mixture of live and dead German nymph and adult cockroaches in the following areas:

Not In Compliance

- Below the water heater.
- Between and underneath the wall and the three compartment sink.
- On the floor above the dry storage area near the back exit door.
- Two German nymph walking around the kitchen cooking line and preparation area.
- One adult German cockroach in the floor sink near the front counter.
- Four live cockroaches underneath the steam table of the front counter.
- Stick trap with dead nymphs underneath the steam table.

Violation Reference - HSC - 114259.1, 114259.4, 11425

Eliminate vermin, clean and sanitize the affected areas. Ensure to keep the facility vermin free and take the necessary proactive and preventative measures to prevent further activity including conducting some type of pest control service for the facility. A re-inspection will be conducted based on request of facility operator to ensure compliance. Failure to eliminate the vermin will result in billable re-inspections.

Violation Description: Food facility shall be kept free of vermin: rodents (rats, mice), cockroaches, flies. (114259.1, 114259.4, 114259.5) Live animals are not allowed in a food facility unless, food employees with service animals may handle or care for their service animal if they wash their hands as required or persons who are licensed pursuant to Chapter 11.5 of Division 3 of the Business and Professions Code. (114259.4, 114259.5)

16K054 Permit Suspension

Compliance Date: Not Specified

Inspector Comments: Facility closed due to vermin infestation. Facility shall remain closed until approval to re-open from Environmental health inspector. Facility shall remain closed for 24 hours before requesting for a re-inspection. Re-inspection may be requested by the facility operator by calling the office at 800-442-2283. Notice of closure sign posted near the front entrance. Do not remove or relocate sign. Sign may be removed with the permission and approval of San Bernardino environmental health inspector.

Not In Compliance

Violation Reference - HSC - 114409, 114405

Violation Description: If an imminent health hazard is found, an enforcement officer may temporarily suspend the permit and order the food facility immediately closed. (114409, 114405)
