*Violation Description:* During your last routine inspection, it was noted that your facility was in violation of the food worker certification requirement for San Bernardino County. Since the inspection, food worker certification compliance has not been verified by Environmental Health staff. A billable reinspection has been conducted on this date to verify compliance.

*Inspector Comments:* Our food handler card program has not received completed missing food handler card sheet. Per manager the sheet and copies of food handler cards have been sent out before the 14th day since the last routine inspection report. The manager is trying to resend the fax at this time but the fax machine fails to send it. He then sent the scanned paperwork by email.
