RETAIL FOOD PROTECTION - PUBLIC EATING PL (25-99 SEATS)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional reinspection at a charge of \$61.25 per 15 minutes with a minimum time of 30 minutes, and a minimum charge of \$122.50

Inspection Violations

Health Permit to Operate has been SUSPENDED

1. Permit - Suspension

Compliance Date not Specified
Not In Compliance
Violation Reference: HSC

Violation Description: Violation(s) observed pose an immediate threat to public health and safety and the health permit to operate is hereby suspended and ordered closed until the listed violation(s) have been corrected and verified by DEHS. Facility is to remain closed until permission from DEHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. Posted closed, do not move, hide, or remove sign.

Inspector Comments: Due to an imminent health hazard the Health Permit is hereby suspended and the facility ordered closed pending further review.

An inspection has been conducted on this date in response to a Complaint

2. Complaint Inspection

Compliance Date not Specified
Not In Compliance
Violation Reference: HSC

Violation Description: A complaint report has been received by Environmental Health.

Inspector Comments: Complaint alleges that sewage is running from a clay pot behind the facilities. Observed sewage overflowing from an exposed clay pipeline.

Violations or Observations without a specified degree

3. Sewage and wastewater properly disposed

Compliance Date not Specified
Not In Compliance
Violation Reference: HSC - 114197

Violation Description: All liquid waste must drain to an approved fully functioning sewage disposal system. (114197) Toilet facilities must be operable.

Inspector Comments: Observed broken sewer line in the rear of the facility. This facility shares a sewer line with an adjacent permitted facility. Sewage flowing away from the property.

Overall Inspection Comments

Facility closed due to imminent health hazard. Closure sign posted.

An adjacent facility was also closed and the health permit suspended as these 2 facilities share the sewer line.
