RETAIL FOOD PROTECTION - PUBLIC EATING PL (25-99 SEATS)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional reinspection at a charge of \$61.25 per 15 minutes with a minimum time of 30 minutes, and a minimum charge of \$122.50

Inspection Violations

An inspection has been conducted on this date in response to a Food Borne Illness Complaint

1. Foodborne Illness Complaint Inspection

Compliance Date not Specified *Violation Description:* A foodborne illness complaint report has been received by Environmental Health.
Not In Compliance *Inspector Comments:*
Violation Reference: HSC

Overall Inspection Comments

I performed a complaint investigation this date. The PIC stated she recieved one complaint from a patron in Arizona that he became ill a half hour after eating a bean and cheese buritto. The PIC reports no other complaints among patrons or staff. I reviewed bean procedures with her; All hot holding and refrigeration temperatures were satisfactory. Close out.
