Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional reinspection at a charge of \$61.25 per 15 minutes with a minimum time of 30 minutes, and a minimum charge of \$122.50

Inspection Violations

An inspection has been conducted on this date in response to a Complaint

1. Complaint Inspection

Compliance Date not Specified

Violation Description: A complaint report has been received by Environmental Health.

Not In Compliance

Violation Reference: HSC

Inspector Comments: Complaint received on 11/20/12 states that there is no water in women's rest room. On investigation found out that there is water in the rest room. According to manager on site, a lady who saw a sign that says faucet under repair complained and threatened to call the Health Department. Ensure rest rooms are in working condition at all times.
