BODY ART - BODY ART FACILITY

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended

Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional reinspection at a charge of \$61.25 per 15 minutes with a minimum time of 30 minutes, and a minimum charge of \$122.50

Observations

An inspection has been conducted on this date in response to a Complaint

1. Complaint Inspection

Compliance Date not Specified

Violation Description: A complaint report has been received by Environmental Health.

Not In Compliance

Violation Reference: HSC

Inspector Comments: This visit is to conduct a complaint investigation. Complainant allegation is that about three weeks ago complainant got a tattoo at this facility and that the area where the tattoo was done got infected. A thorough inspection was conducted on this date (see routine inspection report on this date). The following violations that may contribute to the complainant allegation were observed: ink containers not properly stored; no monthly spore test results for December 2012 and January 2013; no handwashing sink available in procedure area; consent and aftercare forms, and medical questionnaire no in compliance with AB300; and no sterilization log. This facility is scheduled for a re-inspection on or after 02-22-13 due to listed violations. Complaint closed on this date.

Overall Inspection Comments

This facility is scheduled for a re-inspection on or after 02-22-13 due to listed violations on this report. Failure to comply with request on or before 02-22-13 will result in legal action taken. Complaint closed on this date.
