**Inspector Comments:** SUGGEST MEDICAL QUESTIONNAIRE be on a separate form with printed name and signature. Medical questions are to be shredded after two years.  
 (b) Prior to the performance of body art, the client shall receive, complete, and sign a questionnaire that includes all of the following information:  
 (1) Whether the client may be pregnant.  
 (2) Whether the client has a history of herpes infection at the proposed procedure site, diabetes, allergic reactions to latex or antibiotics, hemophilia or other bleeding disorder, or cardiac valve disease.  
 (3) Whether the client has a history of medication use or is currently using medication, including being prescribed antibiotics prior to dental or surgical procedures.  
 (4) Other risk factors for bloodborne pathogen exposure.  
 (c) The questionnaire and all responses shall be considered confidential information. The body art facility shall maintain the privacy of the information and shall not sell, share, or transfer the information. A body art facility shall comply with all state and federal laws with respect to the protection of a client's personally identifiable information, including, but not limited to, medical information, and shall be subject to existing penalties for violation of applicable laws. The body art facility shall shred any confidential medical information after two years from performing the body art procedure on the client.
