 Violation Reference - SBCC - SBC Policy

Inspector Comments: During a safety survey, the pool aide from Environmental Health Services (EHS) found the light in the pool to be detached from the wall, laying on the deck. The pool was posted closed, not to be used, for this safety hazard. Please call your inspector at 800-442-2283 for an inspection prior to reopening your pool. Do not reopen your pool for service without approval from EHS.

Violation Description: A referral from an Environmental Health Pool Surveyor has resulted in the closure of your pool/spa. Immediately correct the noted violations. The pool/spa is to remain closed until EHS has given permission to reopen the facility.
