*

Compliance Date: Not Specified
 Not In Compliance
 Violation Reference -

Inspector Comments: Invoices for pre-sterilized jewelry for body piercing were not available at the time of inspection.
 119315 (f) In place of the requirements for maintaining sterilization records, the following records shall be kept and maintained for a minimum of 90 days following the use of the instruments at the site of practice for the purpose of verifying the use of disposable, single-use, pre-sterilized instruments:
 (1) A record of purchase and use of all single-use instruments.
 (2) A log of all procedures, including the names of the practitioner and client and the date of the procedure.

Facility will email invoices for presterilized jewelry for body piercing by August 16, 2013. Failure to comply may result in a billable reinspection.
