Overall Inspection Comments

This visit is to conduct a second re-inspection (billable) due to violations observed on 06-04-13. Some of the violations have been corrected. However, the following violations still need to be corrected on or before 08-16-13. Failure to correct violation will result in legal action taken, including closure.

I. No paper and soap dispensers in decontamination/sanitation area were observed. 119314(c) (2) Decontamination and sanitation areas within a body art facility shall be equipped with a sink, hot and cold running water, liquid soap in a wall-mounted dispenser, and single-use paper towels dispensed from a wall-mounted, touchless dispenser that is readily accessible to the practitioner.

II. Provide handwashing sink in compliance with AB 300 to procedure areas and body piercing room. No sinks observed. 119314 (b) Procedure areas in a body art facility shall be equipped with a sink supplied with hot and cold running water, containerized liquid soap, and single-use paper towels that are dispensed from a wall-mounted, touchless dispenser that is accessible to the practitioner.

IV. The medical questionnaire is missing the statement regarding whether the client has a history of medication use or is currently using medication, including being prescribed antibiotics prior to dental or surgical procedures and other risk factors for bloodborne pathogen exposure [119303 (b) (3) and (4)]. Provide all required information.

This facility is scheduled for a third re-inspection on or after 08-16-13. The third re-inspection is conducted at a charge of \$61.25 per 15 minutes with a minimum time of 30 minutes, and a minimum charge of \$122.50.
