Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: This is a follow up inspection from the initial complaint inspection conducted on 09/04/13 to ensure compliance with the previous violation.

Observed the refrigeration drawer units below the grill/cook line are now in proper working conditions. Observed the thermometer on the units reading between 38F - 39F. Temperature measurements were taken on the hamburger patty, chicken, steak products inside the units ranging between 40F - 41F.

In addition, observed the facility has proper "consumer advisement" on the menu advising the consumers the risks of consuming raw food products.

Violation Description: Reinspection conducted at this time to determine compliance from prior inspection.
