Compliance Date: Not Specified
Not In Compliance
Violation Reference - SBCC - 33.0410, 33.0411

Inspector Comments: This facility is currently in violation with the food worker certification requirement for San Bernardino County, which states all food workers must obtain a valid food worker certificate within fourteen (14) days of employment (33.0410, 33.044). Facility has failed to submit the missing food worker certification within fourteen (14) days resulting in unannounced billable (at our current hourly rate) re-inspections to verify compliance today. Facility has to comply within 7 days to avoid future recurrent billable re-inspection. This facility operator must complete the "Missing Food Worker" form provided by the inspector and fax to 909-387-4272.

Violation Description: During your last routine inspection, it was noted that your facility was in violation of the food worker certification requirement for San Bernardino County. Since the inspection, food worker certification compliance has not been verified by Environmental Health staff. A billable reinspection has been conducted on this date to verify compliance.
