Violation Reference - HSC

Inspector Comments: This department received a complaint of complainant purchased an ice tea on 11/26/13 and as the complainant removed the lid, complainant observed rusty, thick slime on the straw.

Findings:

A thorough observation was made at all the soda nozzles and the nozzle of the ice tea dispensers in the facility.

Observed all soda nozzles and the nozzle of the tea dispensers are in good, clean conditions.

Operator stated the facility is on a schedule to clean the nozzles on a daily basis. Operator also stated the nozzles are to be soak in water nightly and go through the 3-step manual ware washing the next morning, then allowed to air dry before the next use.

No future action revealed at this time.
