Inspector Comments: Complaint alleged food debris and wetness on plates at buffet line.

Finding: Observed very wet plates at the buffet line at this time, and a few plates had food residue on them.

Correction to be made: All clean dishes should have been washed, rinsed, sanitized and completely air dried. Clean dishes should not be stacked right after they come out the dish washer; wait till they are dry first. Check all dishes for cleanness before putting them out for use.

Complaint closed.

Violation Description: A complaint report has been received by Environmental Health.
