**Overall Inspection Comments**

A few old rodent droppings observed under the shelves in the back storage area. Ensure droppings are removed. Clean and sanitize areas where droppings are located.

Debris buildup observed stored around the dumpster area. Maintain dumpster location clean and in good condition. Provide routine checks of dumpster area to ensure location is maintained clean.

Major improvement since the last inspection. Continue to clean and sanitize areas. Maintain vermin-proofing and pest control as often as needed. Ensure the facility is free of vermin activity.

Follow up will take place during the next routine inspection.
