16K994 Reinspection

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: During the routine inspection on 3-25-14, the electricity in the restaurant went out (near the end of the inspection). Facility voluntarily closed and stopped cooking/serving food to customers. Electricity was still out at the end of the inspection. Provided operator with work cell phone number so he could telephone inspector when electricity goes back on.

During the re-inspection on 3-25-14 (in the afternoon), observed that the electricity is now on throughout the facility. Facility may resume operations.

Violation Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Facility may resume operations.
