Inspector Comments: Received complaint; complainant stated that he purchased a cheeseburger Happy Meal. He stated that his daughter ate the patty, and handed him the bread; he alleged that he observed a moldy substance on the bread.

During complaint investigation on 4-23-14, observed no moldy bread. Observed that bread / hamburger buns were in good condition; observed no signs of adulteration.

Person-in-charge stated that they are aware of customer's complaint. Person-in-charge stated that management observe the bread / hamburger bun in question, and that there was a piece of lettuce stuck to it (they stated that they use spring mix lettuce at this facility, and therefore some of the lettuce pieces are darker green / light brown in color).
