Violation Reference - **HSC**

Inspector Comments: A complaint reported to our office on 4/18/14 states that a rat was seen in the cafeteria. Inspected cafeteria for any signs of rodent inlets including holes and crevices on walls, ceiling and doors. As a result Observed no possible inlets. However trash dumpster outside was open at time of inspection. Keep trash dumpster lids closed at all times. Facility has monthly pest control service, and the last service provided was on 4/31/14. Case closed.

Violation Description: A complaint report has been received by Environmental Health.
