RETAIL FOOD PROTECTION - FOOD HANDLING PL (0-499 SQFT)

16K991 Permit Investigation

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: Above mentioned facility had notified our office that they are no longer selling food and that the permit be canceled. At the same time, there has been an application submitted for ABS. Upon survey, there is only a total of 19 sq ft of prepackaged food in the facility, and that qualifies the owner to be exempt from Health Permit based on the Home Depot Bill. A blue form will be completed.

Violation Description: Obtain a valid health permit within 3 days or as specified to avoid facility closure and/or other possible legal action.
