RETAIL FOOD PROTECTION - Food Handling PI (2500-Up SqFt)

16K999 Complaint Inspection

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: Received complaint; complainant alleged that the facility sells rotten produce "all the time." Complainant alleged that the lettuce is brown and has a stench; strawberries ooze "stuff" from the bottoms; tomatoes are rotten and black; the corn-on-the-cob is black inside the husk; and the avocados are rotten. Complainant said "check all produce – all rotten."

During complaint investigation on 06-09-14, observed vegetables and fruit in good condition. Did not observe any stench / smell. Observed three or four bruises pieces of fruit out of the several thousands of pieces of fruit / vegetables in the produce department. Produce department employee was in department at the time of the complaint investigation, and was already in the process of rotating stock and removing damaged / bruised items.

Complaint is now closed.

Violation Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments
