Violation Reference - **HSC**

Violation Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

A complaint alleged that dumpster was overflowing and there was an oil substance draining into the parking lot.

Findings:

- This facility has added another dumpster a couple weeks ago. Now there are three dumpsters. Observed one full dumpster and two almost empty ones.
 - The garbage is picked up every day from Monday through Saturday. This facility has contacted a waste management company to get its garbage picked up every day but was informed that there's no pick-up on Sunday.
 - Observed no oil substance draining into the parking lot.
 - Observed dumpster area in good condition and is properly maintained.
 - Observed recycled oil containers stored in the facility near west door.
- The area observed to be clean.

Unable to verify the complaint. Complaint closed.
