RETAIL FOOD PROTECTION - Public Eating PI (100-Up Seats)

16K993 Re-Reinspection

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: During the routine inspection on 04-22-14, observed two live roaches crawling on the wall in the cooks' line, directly above a prep table with open, uncovered containers of food on it, and directly adjacent to the reach-in prep refrigerator.

Facility was told to immediately eliminate cockroach infestation. Person-in-charge stated that an employee is putting down powder to treat roaches. Observed powder on floors in facility. Facility was told to cease from putting down this powder in facility, due to risk of contamination of food (roaches may carry powder on their bodies and then contaminate food.)

Facility has monthly pest control service. Observed recent pest control service slip dated April 2014. Recommend to continue with pest control service treatments to eliminate infestation, and to increase pest control service visits to as often as needed to eliminate infestation. Facility was told to take the necessary steps to eliminate cockroach infestation.

During the re-inspection on 06-04-14, observed a live roach crawling on the floor near the soft serve machine, and near the buffet line. Observed a dead roach in the back storeroom. Observed pest control service slip dated the last week of May 2014, as well as the first week of June 2014.

Facility has not yet reached compliance. Immediately eliminate cockroach infestation. Take the necessary steps to eliminate cockroach infestation. Continue with regular pest control service. Clean up dead cockroaches. Thoroughly clean and sanitize affected areas.

During the billable re-re-inspection on 06-16-14:
1) Observed no live roaches in facility. Observed a dead roach in the back storeroom.
2) Observed pest control (Ecolab) service slips dated 06-07-14 and 06-10-14. Slip dated 06-10-14 stated that cockroaches were observed during service.

Take the necessary steps to eliminate cockroach infestation. Continue with regular pest control service. Clean up dead cockroaches. Thoroughly clean and sanitize affected areas.

Violation Description: Billable re-reinspection conducted at this time to determine compliance from prior reinspection.

Overall Inspection Comments

Take the necessary steps to eliminate cockroach infestation. Continue with regular pest control service. Clean up dead cockroaches. Thoroughly clean and sanitize affected areas.
