16K993 Re-Reinspection

Compliance Date: Not Specified

Not In Compliance

Violation Reference - HSC

Inspector Comments: This billable reinspection is being conducted as per the hearing agreement, and based upon the previous charged reinspection conducted on 6/4/14.

Violation Description: Billable re-reinspection conducted at this time to determine compliance from prior reinspection.

Overall Inspection Comments

Observed facility being maintained clean.

Facility is using the Facility Self-Inspection Check List provided by Environmental Health.

Facility is using refrigeration, holding, cooling and time records, all appear to be correctly used.

Facility is providing training to employees. Training and assigned task records maintained on site. Continued training for employees is encouraged.

Observed much improvement in food handling and cleanliness.

Observed lack of ventilation throughout facility. Provide increased air circulation.

Facility is approved to remain open based on the findings of this reinspection.

Ensure to obtain a valid Food Managers Certification prior to expiration in July 2014.

If you have any questions or need further clarification, please contact Dawn La Flower at 800-442-2283.
