Violation Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

Performed complaint inspection at facility for roach complaint.

Observed no live roaches at facility during inspection.

Observed 3 dead german cockroaches in various areas (1 behind dry storage counter at service counter, 2 on floor in dry storage area in kitchen nearest to rear delivery door) and 1 dead american cockroach beneath claw machine game in lobby area.

Observed floors throughout kitchen to be very clean, no excessive grease build up beneath cooking equipment.

Observed rear delivery door opened approximately 2-3 inches for ventilation during the inspection. Above deliver door, observed air curtain with extreme grease build up and not operable at time of inspection. Observed no flies in facility. Operators stated that floors throughout facility are cleaned on a daily basis and that a pest control agent is being used regularly to handle any vector issues.

Overall, was unable to find sufficient evidence to support complaint.

Complaint closed.
