Violation Description: Violation(s) observed pose an immediate threat to public health and safety. The health permit to operate is hereby suspended and the pool/spa ordered closed until the listed violation(s) have been corrected and verified by Environmental Health Services (EHS). The facility is to remain closed until permission from EHS is given. Contact your inspector at your local office to schedule a reinspection to reinstate the health permit. The facility is posted closed; do not move, hide, or remove the sign. Reopening of the pool/spa without the approval by EHS, may result in an hourly billable Professional Services fee.

36K994 Reinspection

POINTS NA	Compliance Date: Not Specified	Inspector Comments: During the routine inspection on 07-09-14, spa was closed due to low free chlorine levels and high water temperature (109F). Also during the routine inspection, observed that the emergency shut-off switch was broken / missing. This is a repeat violation. Facility was told to repair / replace emergency shut-off switch immediately, and to ensure that a functional emergency shut-off switch is provided within 72 hours. During the re-inspection on 07-31-14, observed that the emergency shut-off switch had been repaired / replaced, and is now functional. Observed water temperature at 104.5 F. Observed free chlorine levels in excess of 11.0 ppm. Permit is suspended. Spa must remain closed, due to high free chlorine levels. Contact the County of San Bernardino, Division of Environmental Health Services (DEHS) when compliance is reached. Maintain spa closed until re-opened by DEHS inspector.
	Not In Compliance	
	Violation Reference - HSC	

Violation Description: Reinspection conducted at this time to determine compliance from prior inspection.
