**RETAIL FOOD PROTECTION - Public Eating PI (25-99 Seats)**

**16K047 Signs posted; last inspection report available**

**Compliance Date:** Not Specified

**Not In Compliance**

**Violation Reference** - HSC - 113725.1, 113953.5

**Inspector Comments:** Observed letter grade raised 2-2.5ft from original locations in front window. Letter grade observed raised to a level that allows for the "happy hour" banner to cover letter grade, preventing adequate visibility of letter grade.

This is a continuous violation.

Employee stated that the facility has a windows cleaning service that moves letter grade during the cleaning process.

Ensure letter grade is in a conspicuous location and not removed from the original location placed by the Health inspector.

**Violation Description:** Handwashing signs shall be posted in each toilet room, directing attention to the need to thoroughly wash hands after using the restroom (113953.5) (b) No smoking signs shall be posted in food preparation, food storage, warewashing, and utensil storage areas (113978). (c) Consumers shall be notified that clean tableware is to be used when they return to self-service areas such as salad bars and buffets. (d) Any food facility constructed before January 1, 2004 without public toilet facilities, shall prominently post a sign within the food facility in a public area stating that toilet facilities are not provided (113725.1, 114381 (e)). A sign shall be posted stating that a copy of the most recent routine inspection report is available upon request. (113725.1) Permit shall be posted in conspicuous location. (114381(e)) Letter Grade Placecard shall be properly posted. SBCC 33.1406
