Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: Reinspection conducted due to a complaint inspection where the facility was closed due to vermin infestation. Upon todays inspection mice droppings were observed inside the kitchen on the meat slicer, on top of the 2-comp sink, on the floors, on the shelves above grill, in dry storage area, around water heater, inside of dining area and inside bar area. Ensure all mice dropping are removed from the premise and all infected areas are cleaned and sanitized. Ensure to clean sanitize all food prep locations, all utensils and shelves and outside of all bulk containers. Ensure to clean grease build up observed under the grill. Ensure all equipment and floors are free from grime build up and food debris.

Decomposing mice observed under grill. Ensure to remove mice.

Ensure all unused items that don't contribute to the operation of the business are removed from the facility.

Violation Description: Reinspection conducted at this time to determine compliance from prior inspection.
