16K999 Complaint Inspection

Compliance Date: Not Specified
Not In Compliance
Violation Reference - HSC

Inspector Comments: This dept received a complaint alleging the following: Complainant states that facility has cockroaches, the faucets at sinks do not work, cold water faucet is shut off because it leaks, the grill is plugged in via an extension cord, outlets do not work.

Observed no signs of a cockroach infestation. Facility has monthly pest control service manager states. Observed no receipts onsite. Keep receipts onsite. Observed that the cold water valve at the two compartment utensil sink leaks. Repair leaking valve. Also observed that the faucet lever at the second compartment is missing so the sink compartment does not hold water. Replace the missing sink lever. Employee states that these items are in the process of being repaired. Observed that the handwash sinks function properly. Employee states that electrical outlets work except for the one by the fryers for the light. Manager states that this plug is being replaced. Observed no extension cord. Cooking line equipment is gas and not electrical. Complaint closed.

Violation Description: A complaint report has been received by Environmental Health.
