POINTS

2

**Inspector Comments:**

Observed artist James Holmes without proof of practitioner registration. Practitioner must immediately discontinue practice until registration renewal is approved by this department.

Ensure all artist working on site must possess proper practitioner registration by this Department at all times.

**Violation Description:**

119306 (c) As a condition of registration, the applicant shall provide all of the following: Evidence of current hepatitis B vaccination, including applicable boosters, unless the practitioner can demonstrate hepatitis B immunity or has complied with current federal OSHA hepatitis B vaccination declination requirements. Evidence of completion of OSHA Bloodborne Pathogen Training consistent with Section 119307 and pursuant to paragraph (2) of subdivision (g) of Section 5193 of Title 8 of the California Code of Regulations or its successor. Proof that he or she is 18 years of age or older. Self-certification of, knowledge of, and commitment to meet state law and relevant local regulations pertaining to body art safety. His or her business address and the address at which he or she will perform any activity regulated by this chapter. Payment of a registration fee directly to the local enforcement agency. The local enforcement agency shall set the fee at an amount not to exceed the amount necessary but that is sufficient to cover the actual costs of administering the program. The local enforcement agency shall issue a health permit after an investigation has determined that the proposed body art facility and its method of operation meets the specifications of the approved plans or conforms to the requirements of this article.

119306 (d) A practitioner shall display, in a place readily visible to the public at the body art facility where the practitioner is performing body art, the certificate confirming registration with the local enforcement agency in the jurisdiction in which that practice is conducted.

119306 (e) A valid and current registration issued by a local enforcement agency shall be valid in any other jurisdiction for no more than five consecutive days, or 15 days total, in any one calendar year.

119312 (g) The health permit shall be posted in a conspicuous place at the body art facility. Certificates of registration for all practitioners performing body art in that facility shall also be prominently displayed either near the health permit or at the individual practitioner's procedure area if each practitioner has a designated area.

119318 (d) The name, telephone number, and directions to an emergency room near the temporary body art event shall be posted in a conspicuous location.

119318 (e) Each practitioner working in a booth at a temporary body art event shall display his or her certificate of registration, or keep the certificate in a folder that is available for inspection upon request of the enforcement officer or a client.

33	119306, 119307, 119318 - IPCP and employee training records and Hepatitis B vaccination status present
----	--

POINTS

3

**Inspector Comments:**

Observed Infection Prevention and Control Plan not available on site for review. Ensure to maintain the Infection Prevention and Control Plan on site at all time. Ensure all employees are regularly trained of the IPCP.

**Violation Description:**

119306 (c) (1) Evidence of current hepatitis B vaccination, including applicable boosters, unless the practitioner can demonstrate hepatitis B immunity or has complied with current federal OSHA hepatitis B vaccination declination requirements.

(2) Evidence of completion of OSHA Bloodborne Pathogen Training consistent with Section 119307.

119307 (a) Prior to registering with the local enforcement agency, a practitioner shall complete a Bloodborne Pathogens Exposure Control Training program that is specific to his or her practice.

(d) Each person required to complete a Bloodborne Pathogens Exposure Control Training program pursuant to this section shall annually complete a minimum of two hours of Bloodborne Pathogens Exposure Control Training update presented by a trainer eligible pursuant to paragraph (1) of subdivision (c).

(e) Records of training required pursuant to this section shall be maintained for three years and shall be available for inspection upon request of the enforcement officer.

119313 (a) A body art facility shall maintain and follow a written Infection Prevention and Control Plan, provided by the owner or established by the practitioners, specifying the procedures to achieve compliance with each applicable requirement of this chapter.
