Inspector Comments: The purpose of this visit is a follow-up on the 06.06.16 inspection report earlier today. Pest control service is still on-site when inspector arrived. Pest control service reported that the following services were provided: June 03- inspected and sealed openings on the exterior of the facility; placed 6 station baits in the interior of the facility. June 04- Placed 4 station baits on the exterior of the facility. June 06- Placed 2 station baits at the bar area and serviced other baits. Team members cleaned and sanitized throughout the food prep and storage room. Observed gaps and holes were sealed throughout the food storage room. Thank you for your cooperation. Based on the observations made on this date, the facility is now permitted to re-open at this time.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
