**Overall Inspection Comments:**

This body art facility currently operates with five artists whom include: Luis Martinez, Raymundo De La Cruz, Juan Salazar, Allen Wright, and David Vargas. All artists were confirmed registered with the County of San Bernardino as body art practitioners. Client records were very limited to a few since the facility has just opened to the public; however, appeared to be adequately completed and retained for recordkeeping purposes. No branding or piercing is conducted within this establishment. No autoclave or decontamination area has been constructed, therefore all artists are required to use only single-use pre-sterilized tattoo equipment.

The hand wash sink was observed installed with permanent drain line, which was noted for immediate correction during the plan check inspection. The owner has complied with this correction.

No violations were observed at this time.
