RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: The purpose of this reinspection was to determine compliance regarding facility's closure due to rodent infestation.

At the time of this inspection, observed no evidences of active rodent infestation throughout this facility. Observed all floors, walls, and ceilings are maintained in clean and good condition. The owner produced a professional pest control received done on 11/1/19. Observed more than 10 empty rodent snap traps, and glue traps throughout the kitchen floors. The owner stated that additional food items were discarded during clean up are: sprinkles, chocolate, cookies, and fruits for safety purposes even though they were not contaminated. According to the owner, all affected areas were washed and sanitized with hot water at 120 F and 1/10 portion of Chlorine and water sanitizing solution.

RESULT(S):

Facility is reopened. Health permit to operate is hereby reinstated.

A supervisory review is scheduled on 11/6/19 at 10:00 am at 8575 Haven ave, suite 130, Rancho Cucamonga. The owner was informed that failure to show up to this review will result in facility closure or further legal action.

A reinspection will conducted on or after 11/11/19 to determine compliance. Continue to eliminate all vermin and any evidences of vermin infestation from this food facility. Any evidences of rodent infestation will result in facility closure. The owner was informed regarding a billable risk based inspection of \$245.00 hourly rate due to the facility closure.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

Facility was reopened and grade card "A" was posted on this date.
Health permit was reinstated.
